

# Connections

Empowering adults to age with vitality and purpose.

## *From the Director* A Top Opportunity at TOP GOLF

Marilyn Olson,  
Executive Director

**VillageOKC is credible and solid.** With seven Board of Directors and an Advisory Council of 16, bills are paid on time and 990's are completed annually .

Although there have been generous gifts in kind and thousands of volunteer hours to bring us to this point, it takes actual dollars to manage even a nonprofit.

VillagesOKC has no other funding except for memberships (25%) and sponsorships (70%) and occasional grants (5%).

**So for the first time VillagesOKC is holding a fundraiser at TOP GOLF.** This is a fun (even for non-golfers) evening 5:30-8:30 on April 18 for individuals and companies.

The purpose could be team building or six friends who want a great evening which includes fantastic food, golf and the opportunity to win prizes.. and more importantly support VillagesOKC.

**For the 370,000 over 50 in Oklahoma City, VillagesOKC is the one connection that will empower adults to age with vitality and purpose. VillagesOKC is the one connection for questions such as**

- . . . the 64 year old couple who calls to ask "when should I take out Medicare?"
- . . . the single 67 year old who no longer works and wants to volunteer with others
- . . . the 33 year old couple with young children who are also the advocate for a mother
- . . . the 75 year old who's spouse just filed for divorce after 47 years of marriage
- . . . the widow who wants new friends to go to lunch with
- . . . the daughter who is looking for a trusted companion for her mom
- . . . the gentleman who is inquiring about who to trust with retirement investments

**Take a top opportunity to support VillagesOKC –  
the plan that connects a community.**
